

FOR IMMEDIATE RELEASE 10/5/15:

HUNDREDS WITNESS MIRACLES AT DEDICATION OF LAST DAYS TABERNACLE IN TEXAS HILL COUNTRY

Now it shall come to pass in the latter days that the mountain of the Lord's house shall be established on the top of the mountains, and shall be exalted above the hills; and nations shall flow to it. Many people shall come and say, "Come, and let us go up to the mountain of the Lord, to the house of the God of Jacob; He will teach us His ways, and we shall walk His paths."

ISAIAH 2: 2-3

On September 13, 2015, Rosh Hashanah, Shemitah and Jubilee, many miraculous signs and wonders were witnessed by hundreds of people at the dedication of a "type" of end times, spiritual Tabernacle, built in the Texas Hill Country to honor the Messiah of the Jews. The Coming King Sculpture Prayer Garden is located at the entrance of Kerrville, TX, 60 miles northwest of San Antonio on IH-10. About 1,500 people, from eight states and four countries attended the eight hour spiritual art event.

The Coming King Foundation (TCKF), a non-profit "art museum", was founded on May 6, 2004, to bring glory and honor to God using monumental Christian sculptures and Bible scriptures. The 24.5 acre park exhibits over 2.5 million dollars worth of donated contemporary sculptures, in bronze and Cor-ten steel by various Christian artists. A 300' cross-shaped garden, at the top of a 1,930' hill, displays 77 Bible verses (in three languages) in a "*Path To Heaven*". The Bible verses are etched into 231 ceramic, 16" Scripture Tiles.

Tourists from all 50 states and at least 52 countries have visited the spiritual art garden, which is still under construction. The free, multimillion dollar garden park is being built on faith in God without debt, public tax money or professional fundraisers. TCKF is still raising money to install lights, handicapped parking lots, roads, restrooms, a Chapel and Visitors Center.

The non-denominational, The Coming King Sculpture Prayer Garden is located at the same latitude as Israel, approximately half way between the Atlantic and Pacific Oceans on IH-10. Between January 1st and October 1, 2015, 28,041 vehicles entered the garden, with an estimated 72,907 passengers, making the garden Kerrville's top year-round tourist attraction.

During the eight hour dedication event, supernatural phenomena repeatedly occurred at the spiritual park. The Shekinah Glory Dust (Ex 34: 29, Isa 60:1, Acts 7:55) materialized out of thin air, in the form of thousands of tiny sparkling particles, which suddenly appeared on the hands, faces and clothing of

hundreds of people attending the service. (The strange particles resemble fine glitter and are an unknown substance, according to scientists at Texas A&M University.)

The unexplainable sparkling particles mentioned in the Old and New Testaments of the Bible, started appearing about 4:00 p.m., when the presence of God was invoked by artist/evangelist, Max Greiner, Jr. Greiner (63). Max is the President The Coming King Foundation and a graduate of the College of Architecture at Texas A&M University, 1974. Hundreds of people at the Dedication also claimed they experienced the manifest presence and power of God, including instant physical healings, prophetic words and Tongues.

"At the dedication on Sunday I too, walked around the crowd calling on the Lord to show us the proof of His presence", wrote Carol Coates of Kerrville in an email a few days later.

"Immediately, they would begin to see the Glory Dust! At least 19 people I spoke to received it!!! The one who grinned the widest was my pastor!!! Prior to his own sparkling experience on Sunday, he had looked skeptically at me, when I talked about it. Now he smiles radiantly and tells it himself. Yesterday he told me he had his baby grandson at our church alter with him and was blessed to see the baby's head shining with Glory Dust!! Everything points to the obvious--God was pleased with the celebration!"

The eight hour, outdoor service began with the blowing of the Jewish Shofar ram horns, followed by worship music. One of the original TCKF Trustees, Pastor Jack Rothenflue introduced founders, Max and Sherry Greiner. Max then invited 14 living witnesses to testify to the supernatural miracles that have occurred during the 14 spiritual journey.

The artist/evangelist began by thanking supporters and explained how the spiritual adventure began on December 9, 2001 when a stranger and guest evangelist asked Max and Sherry to stand during a church service at Cathedral Of Praise church in Austin, TX. When they stood, the couple received an unexpected a modern day prophetic word from Dr. Mahesh Chavda. The Pastor from Charlotte, NC proclaimed that God was "calling" the Greiners to "*Restore the Tabernacle*" (Amos 9:11, Isaiah 2:2 & Micah 4:1) with the help of other Christians. The actual vision of the garden came eight months later.

The garden, the artwork and the "*Living Water*" baptismal fountain were dedicated and consecrated to God by Pastors James Wilson, Kerrville Christian Center, Ryan Barnett, First Baptist Church; Stockton Williams, St. Peters Episcopal Church; Jimmy Sportsman, Kerrville Church of Christ; and David Danielson, Impact Christian Fellowship. Musical worship from numerous Christian denominations followed the dedications.

Evangelist and worship leader, Louada Raschke led the crowd in prayer for America to reverse disastrous trends, and again embrace their Judeo-Christian heritage which made the country great. Raschke cried out for mercy for America, which has removed God, prayer, the Ten Commandments and crosses from the public square while condoning the redefining of marriage and sanctioning the killing of millions of young Americans in the womb.

Next, Messianic Jew, and respected international Christian leader, Dr. Randy Weiss of Dallas, explained the perils facing America and Israel today, at this unparalleled time in world history. Weiss prayed that

Christians and Jews would unite in love for Israel and the Messiah of the Jews. Later at sunset, the Messianic TV evangelist led a traditional Rosh Hashanah service.

As Dr. Weiss spoke and prayed over the crowd at sunset, strange balls of light began to fill photographs taken by onlookers. The unusual spheres of light appeared to surround the Jewish Rabi, and the 25' tall, life-size bronze sculpture of Jesus Christ returning in glory on a white horse (Rev 19:11).

Many Christians believe these "Angel Orbs" are a type of spiritual creature described thousands of years ago by the Jewish prophet Ezekiel (Ezk 1:15). The translucent and transparent spheres are round and often look like "wheels within wheels". Usually they appear to be about 3" to 3' in diameter. The spheres have also been videotaped moving and photographed half hidden, behind objects and people. The orbs have also been photographed around the giant 77'7" cross at night without a flash, using time lapse photography.

"*The Empty Cross*" is promoted by TCKF as the most spiritually symbolic cross sculpture in the world. The reddish brown, 70 ton, Cor-tin steel cross represents the Blood, the Door, the Way, the Strong Tower, the Mighty Fortress, the Light of the World and Resurrection.

People came to the Dedication from across Texas, the USA and world. Guests came from eight states and four countries. One lady rode a bus for over 20 hours from Phoenix, AZ.

Most Christians denominations were represented on the mountain that day, all united by their love for Jesus Christ, the cross and the coming Messiah. These people included Jews, Catholics, Baptists, Methodists, Episcopalians, Lutherans, the Church of Christ, Pentecostals, Assembly of God and the non-denominational Charismatic churches, to name a few.

Well known Christian leaders who have prayed for the Kerrville garden in the past include Mike Huckabee, Franklin Graham, James Dobson, Rick Warren, Max Lucado, John Hagee, Pat Robertson, John Hagee, Rodney Howard-Brown, Paul Crouch, Oral Roberts, Bill and Vonette Bright, John Arnott, Randy Clark, Sid Roth, Tony Perkins, June Hunt, Hal Lindsey, Peter and Doris Wagner, Chuck Pierce, Jesse Duplantis, Charles Stanley, Rick Joyner, Jerry Johnson, General William Boykin, to name a few.

However, the 9/13/15 dedication of The Coming King Sculpture Prayer Garden almost didn't happen. Due to years of organized opposition to the cross and Christian garden, many thought the project would never happen. When plans were first announced publically in a 5/5/06 newspaper article, efforts immediately began to derail the Christian project.

Opponents in Kerrville alerted atheists groups across America about the planned giant cross on IH-10. They initiated a critical letter writing campaign to Kerrville City officials, local newspapers and the San Antonio TV stations. When this strategy of slander failed, a series of "dirty tricks" were initiated which included contacting state agencies with false accusations, generating deceptive News Releases for the media, and bombarding TCKF with email pornography. Threats of vandalism and destruction were posted online. Finally, an IRS audit was triggered by the false claims of atheists.

When all efforts failed to stop the cross, TCKF was sued in 2008 by neighbors living in an unapproved rural "subdivision" north of the garden. The 14 month lawsuit, eventually costing the non-profit art

organization hundreds of thousands of dollars, was finally settled in February of 2010. As a result of the Settlement, the two million dollar donated cross sculpture was finally raised on July 27, 2010.

Today, the free Kerrville garden is recognized a major tourist attraction, art attraction, and spiritual attraction. It is a major financial boon to the local economy.

Today the cross, Christianity and Christians are constantly being attacked. Many believe this garden Tabernacle was established by God to boldly lift up Jesus Christ and draw Believers together. Old Testament Jewish prophets predicted that in the last days, a new Tabernacle would be built on a hill by the Gentiles, to bring honor and people to the God of the Jews. This last days Tabernacle will welcome the return of the Jewish Messiah, Jesus Christ.

SPECIAL NOTE: The end times Tabernacle is not to be confused with the Jewish Temple in Jerusalem, which will also be restored in the last days, according to the Bible.

ABOUT TCKF: The Coming King foundation (TCKF) is a non-profit, 501c3 Art Museum. Trustees include laymen, artists, pastors, missionaries and evangelists from many Christian denominations. For more information visit: www.thecomingkingfoundation.org

ABOUT THE GARDEN: The 24.5 acre art park is the only place in the world where the 77'7" contemporary sculpture called "The Empty Cross" can be seen. It is the "Most Symbolic Cross Sculpture in the World". In addition, seven other monumental sculptures can also be viewed at this location. It is also the only place in the world where all of Greiner's monumental sculptures are on display. A "Path To Heaven" uses 77 scriptures, in multiple languages, to present the Gospel of Jesus Christ. The free garden is open from 7:00 AM until midnight, 365 days a year. Tax deductible donations are welcomed to help complete the garden.
