

“It Is Finished”

The End Of Religion, The Beginning Of Relationship

The reason the Son of God appeared was to destroy
the works of the devil.

1 JOHN 3:8

And when Jesus had received the sour wine, He said, “IT IS
FINISHED” and He bowed His head and gave up His Spirit.

JOHN 19:30

Sculpture by David Broussard of Dallas, Texas

“It Is Finished” was created out of Cor-ten steel in 2011 by the artist. The giant 11’ long steel spikes, or nails, point to the cross and the sacrifice Jesus Christ made for all mankind. Love held the Savior to the cross, not the nails.
